

We understand ... it's hard to find just the right place for your special companions to stay while you're away. We'll make your vacation a relaxing time for your pet too. Even if you are at the office or out of town on business, we'll make sure your friend is comfortable and well cared for. Meanwhile we can also provide any medical or well-care needed, plus nutritional counseling, bathing, grooming, clips, and training.

Sniff us out before you make a decision. Take a virtual tour on our website at schulhofanimalhospital.com or make a courtesy appointment to inspect our facilities.

Grooming & Bathing, Day Care, Training, and Puppy Socialization

Alleviate loneliness, behavior problems, and help you and your pet to have a happier relationship. Drop your dog or puppy off on the way to work and pick your companion up on the way home. We also offer Dog Obedience Training and Puppy Socialization upon request.

Our Grooming Salon offers special shampoos, Hydrosurge treatment, coat conditioning, Fur-Be-Gone de-shedding, pad treatments, hair styling, hair color, nail polish, and minor trims by appointment. And at the very least, don't

forget a Go Home Fresh Bath and an all important Pedicure!
